We welcome you to be our guest at our next meeting!

Welcome to our web site!
We are the Coastal Power Chapter of the American Business Women's Association. (ABWA) We are a strong group of [ABWA Express Network](#) members located in the Myrtle Beach, South Carolina area.

We meet on the 1st Tuesday of each month during lunch at Logan's Roadhouse in the Coastal Grand Mall in Myrtle Beach. We meet from 12-1:30 and have social time before and after the meeting.

Our members bring their business information to meetings to share with others. Our members work together and leverage the services of other Coastal Power Women Express Network members. During the meetings our members periodically have the opportunity to provide an overview of their business to the group. Member displays, which include business cards, flyer specials, postcards, brochures, and other marketing materials are set up in the meeting room for members to browse through before and after the meeting.

Coastal Power Women come together to enhance their professional skills, learn about other local women in business, and network with other business women. Our monthly meetings are just the beginning of our networking opportunities!

Contact us or just stop in and observe our group in action.
